FSCT 0077 - INSPECTORS' CORE EDUCATION I WORKSHOP

This course is for new or potential inspectors who have been designated to conduct inspections of inquiries/complaints filed with the professional colleges in British Columbia as well as being beneficial for administrative and support staff dealing with Inquiry matters. Participants will be provided with the beginning knowledge and skills required to investigate inquiries/complaints in accordance with appropriate laws and policies under the Health Professions Act of BC. A theoretical core body of knowledge is provided followed by guidance into the investigation process in order to provide the participants with beginning skills needed to become an inspector.

COURSE DETAILS

DATE: Saturday, March 16, 2013
TIME: 08:30 to 17:00
LOCATION: BCIT Downtown Campus
COST: $226.22 (CRN 77532)

FSCT 0084 - INSPECTORS' CORE EDUCATION II WORKSHOP

This course is for inspectors who have been designated to conduct inspections of inquiries/complaints filed with the professional colleges in British Columbia. Participants will be provided with advanced knowledge and skills required to investigate inquiries/complaints in accordance with appropriate laws and policies under the Health Professions Act of BC. Guidance by an experienced inspector into the investigation process utilizing examples of specialized tools and case studies will provide additional resources and references for the inspector.

COURSE DETAILS

DATE: Sunday, March 17, 2013
TIME: 08:30 to 17:00
LOCATION: BCIT Downtown Campus
COST: $226.22 (CRN 79562)
